University Visvesvaraya College of Engineering

K R Circle, Bengaluru - 01

5th and 6th JUNE 2021

FLAGSHIP EVENTS

1. SUMMIT

Summit is a Student Parliament where students of various colleges participate and present their ideas and views to the judges and audience. The primary takeaway for the audience includes the Panel Discussion that happens among renowned panelists right before the competition begins.

Round 1:

In this round, each team is given a problem statement two days prior to the day of Summit and is asked to discuss solutions for the same with the judges and the other students.

Round 2:

This round comprises of a problem statement which will be given on spot and a time period of 15 minutes will be allotted to come up with a real-time solution for the problem.

Ticket Price : ₹ 50 per head

Team Size : 2-3

Cash Prize : upto ₹ 5000

Date : 28th - 30th May 2021

Contact :

Varsha : +91 73488 20348

Rasagnya : +91 97422 62257

Anusha : +91 78994 09807

2. MOCK PLACEMENTS (Only for UVCEians)

Mock Placements is the simulation of an actual placement drive. It provides an opportunity to become familiar with the procedure in an environment similar to that of actual placements. It will consist of Aptitude Test, Group Discussion, Coding Round and Interviews.

It provides job seekers with an opportunity to practice for an interview and receive feedback on their interview skills. A mock interview helps candidates learn how to answer difficult questions, develop interview strategies, improve your communication skills, and reduce your stress before an actual job interview.

Ticket Price : Free

Team Size : Individual

Cash Prize : upto ₹ 6000

Date : 4th June 2021

Time : 11:00 AM

Contact :

Jitendra Prasad K K : +91 73488 20348

Munnoli Sammed Jaykumar : +91 97422 62257

3. CIVICTURE

Round 1:

This round is a technical quiz on topics related to Civil Engineering.

Round 2:

A problem solving round, where problem statements will be given related to structural failures and participants are asked to give a suitable reason for the failure along with a valid solution for the same. The teams need to present their solution which will be judged.

Ticket Price : ₹ 50 per head

Team Size : 2-3

Cash Prize : upto ₹ 5000

Date : 5th June 2021

Time : 5:00 PM

Contact :

Deeksha Kalkatte L : +91 82776 32362

Rajendraprasad G C : +91 84318 83891

4. CODESTORM

It is an online competitive coding contest which tests the problem solving, logical thinking and coding skills of the participants.

Round 1:

It is a qualifying round in which participants are given an optimization problem. The participants must come up with the best possible solution within a time duration of 3 hours.

Round 2:

It consists of 5 coding questions with incremental difficulty, which should be solved in a span of 3 hours.

Ticket Price : ₹ 50 per head

Team Size : 1-3

Cash Prize : upto ₹ 5000

Date : 5th June 2021

Time : 2:00 PM

Contact :

Anam Ali : +91 95353 11386

Nimitha J : +91 98861 35919

Dhruva Shahshi : +91 78994 75155

5. ELECTROVATE

ELECTROVATE is an event which tests participants' designing skills in the branch of Electronics and CAD.

Round 1:

Teams are given a problem statement based on which they are supposed to design a circuit and also design a 3D model using a software they prefer.

Round 2:

In this round participants are expected to present their design and explain each and every aspect of it.

Ticket Price : ₹ 50 per head

Team Size : 2-4

Cash Prize : upto ₹ 5000

Date : 5th June 2021

Time : 11:00 AM

Contact :

Ajay J : +91 99022 46790

Kruthin N : +91 94485 25174

6. MECHRONINS

Mechronins is an event where the mechanical engineering skills and knowledge of participants is put to test.

Round 1:

It is a quiz on general mechanical engineering topics which will be conducted on Kahoot.

Round 2:

It is an online treasure hunt where participants have to go through the clues and reach the treasure. Teams which will complete it with least amount of time will be qualified for the next round.

Round 3:

Here the designing skills of participants will be judged. The teams will be given a list of retro devices which they have to design using any platform of their choice, following which they have to present the same.

Ticket Price : ₹ 50 per head

Team Size : 2-4

Cash Prize : upto ₹ 5000

Date : 5th June 2021

Time : 11:00 AM

Contact :

Sanketh R P : +91 96116 50218

Vinay Desai : +91 82963 38415

Kalyan K R : +91 70224 22335

Kishan : +91 97409 71256

7. SILIC-O-HACK

It is a rigorous electronics hackathon where participants will be given problem statements related to retro technology. The teams should solve the problem using certain aspects of electronics. They also have to pitch their solution to the judges and convince that it is a good idea.

Ticket Price : ₹ 50 per head
Team Size : 1-4
Cash Prize : upto ₹ 5000
Date : 6th June 2021

EVENTS

1. BREAK AND BUILD

Round 1: Scrape down the memory lane!

Brace yourselves for a search like you've never seen before! Find the clues in the website given and unlock your way to the next round!

Round 2: Build-a-thon!

Here participants must make use of the data found in the first round and build a retro-themed front-end website. Sharpen your creativity skills and give the best UI to be crowned the victor!

Ticket Price : ₹ 30 per head

Team Size : 1-4

Cash Prize : upto ₹ 3000

Date : 5th June 2021

Time : 11:00 AM

Contact :

Kavana : +91 90089 78931

2. ENGIMA

A brainstorming bonanza which will be a test of rapid assessment, technical knowledge, decision making, presence of mind, skill and agility! A crossword and technical designing extravaganza!

Round 1: Enigma

The brain-racking opener where contestants are required to solve the crossword given, on retro-tech. The contestants then have to decode a problem set for the 2nd round through the clues given in the crossword via the Enigma App.

Round 2: The Stock

In this round, the teams will have to work on the problem set given in the previous round and come up with an innovative product and advertise it in the most eye catching way possible. The product then enters into the stock market and every competitor is free to invest in each others product. The success of a teams design will be decided by the market and the competition will conclude with the team whose product has the highest evaluation. Note: Teams will be given a choice between Computer Science or Electronics in the 2nd round.

Ticket Price : ₹ 30 per head

Team Size : 2-4

Cash Prize : upto ₹ 3000

Date : 6th June 2021

Time : 10:00 AM

Yashika : +91 7483505663

3. IPL AUCTION

Round 1:

A Quiz will be conducted on IPL. Points secured by the teams will be considered for second round. Quiz will be held on the Kahoot website. Only one person from each team has to take part in quiz. Participants will have 10 seconds to answer each question.

Round 2:

Top 18 teams from round 1 will qualify to round 2. This will be an auction round where players will be auctioned and teams need to buy players and build their squads. Players unsold in 1st round auction will be auctioned in 2nd round. This will be conducted on a virtual platform.

Ticket Price : ₹ 30 per head
Team Size : 2-3
Cash Prize : upto ₹ 3000
Date : 5th June 2021
Time : 6:00 PM

4. KICKSTART

To explore in detail every facet related to a startup and to use this knowledge to work on a fresh startup blueprint.

Round 1:

Participants study about a startup and every detail connected to it. They understand the idea behind the birth of the startup, the challenges the startup faced, etc.

Round 2:

The participants move beyond the learning and research phase and put their own thinking to work. Participants should come up with the blueprint of a startup that tries to explore and fulfill all the criteria that the startup's success will be based upon.

Ticket Price : ₹ 30 per head
Team Size : 1-3
Cash Prize : upto ₹ 3000
Date : 6th June 2021

5. MYSTERY SIM

Round 1:

The participants are supposed to solve a puzzle by constructing circuits, and using a list of components. By solving the circuits and clearing obstacles, the contestant will be able to make a code.

Round 2:

In this round, the participants can use devices that were simulated to bypass a few forthcoming obstacles to save time. The obstacles will be designed in such a way that the contestant must solve the puzzle in a particular order only.

Ticket Price : ₹ 30 per head

Team Size : 1-4

Cash Prize : upto ₹ 3000

Date : 5th June 2021

Time : 1:00 PM
